

# NATIONAL STRATEGY FOR THE DEVELOPMENT OF STATISTICS

## MYSC

(PROGRESS)

# Progress on MYSC Sector Statistics Strategy

- The document has been finalised from our side.
- Awaiting printing from Statistics Botswana.
- The launch will be done at the same time with our Ministry Re-branding launch on the 12 - 13 May 2017.
- The MYSC sector committee has been oriented.
- Ministry Communication Strategy is drafted and M&E officer is part of the task team to ensure the collection and use of statistics is promoted within the strategy.
- M&E framework is currently been finalised.

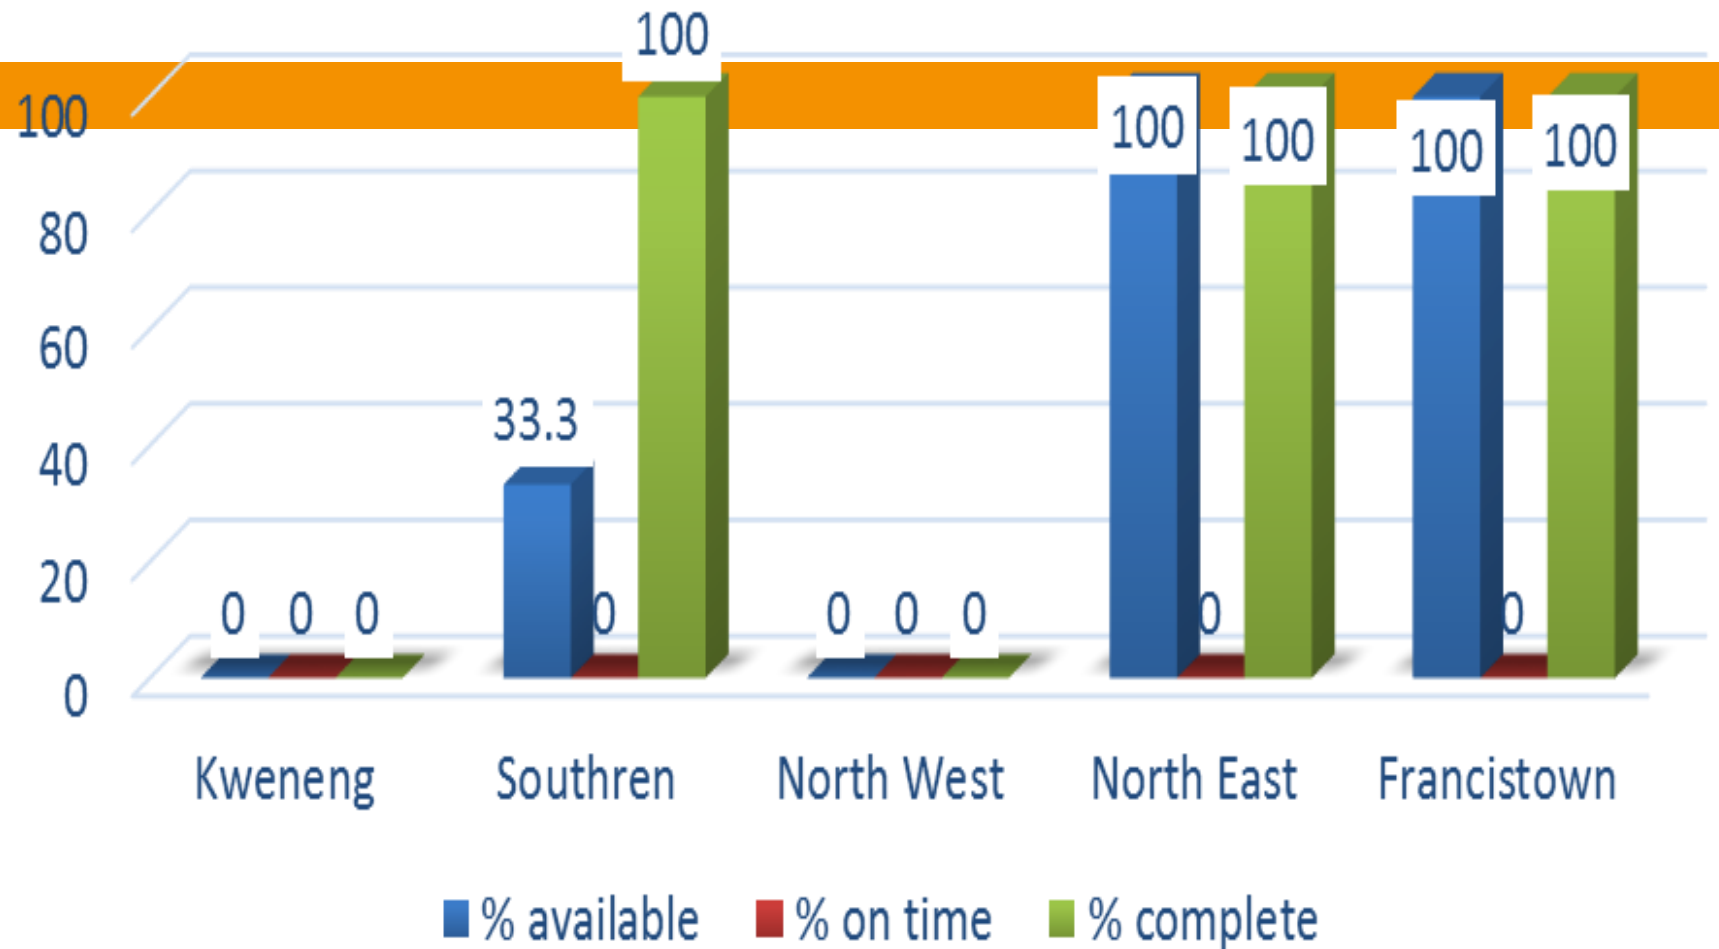

# MINISTRY OF YOUTH EMPOWERMENT, SPORT AND CULTURE DEVELOPMENT

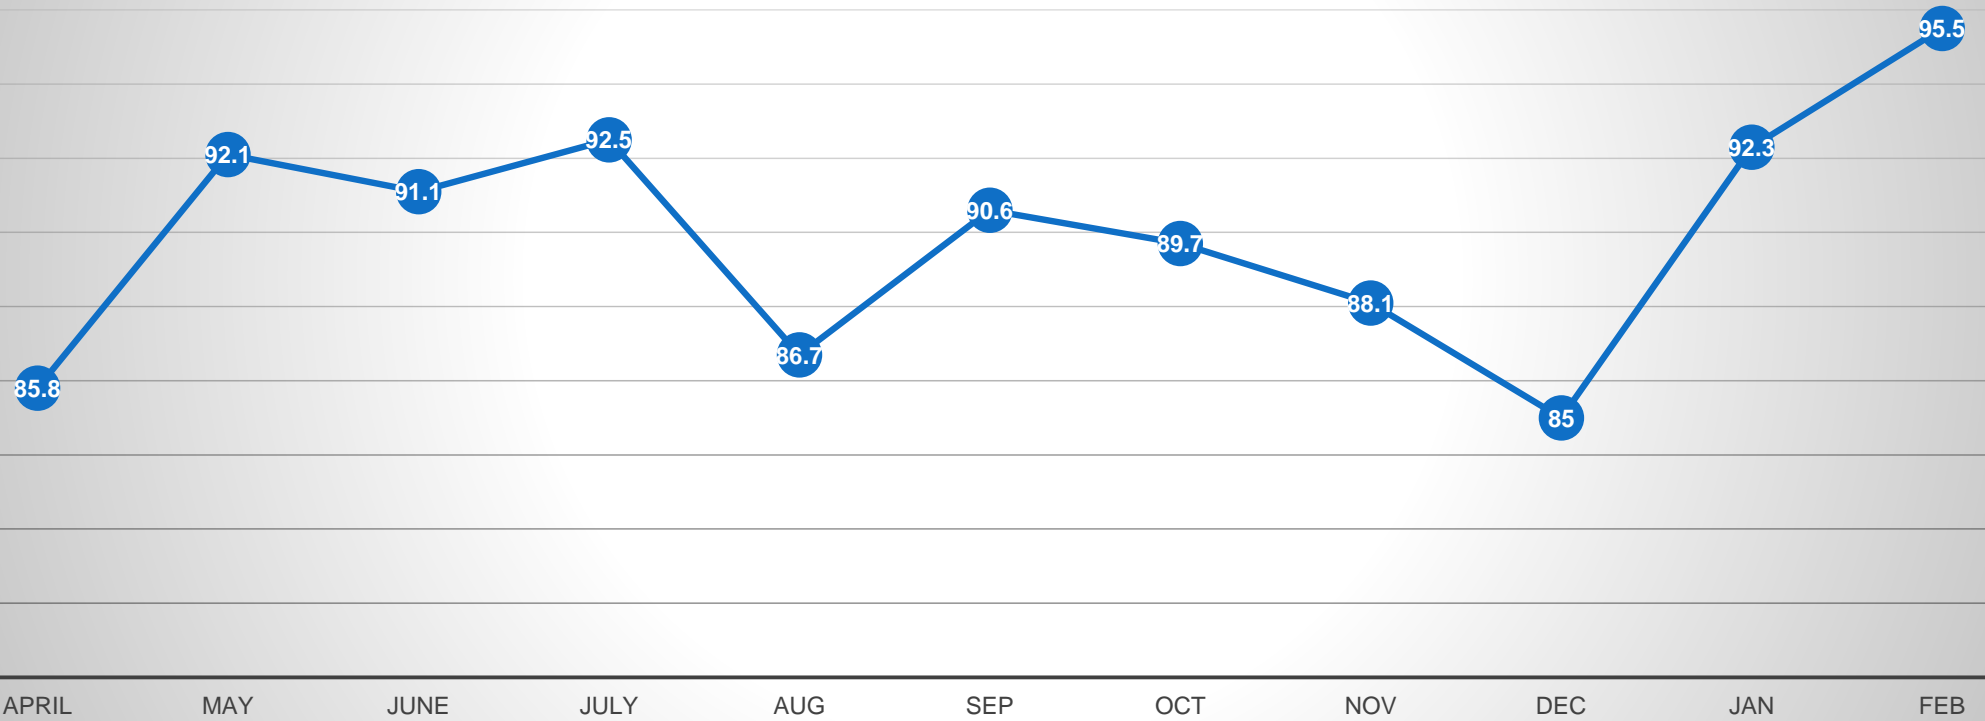

## MONITORING AND EVALUATION FRAMEWORK

## Data and reporting verification

### Customer Satisfaction level FY 2016/2017

# Challenges

- Lack of funds (priority)
- Under staffing of M& E Unit (affect monitoring, issues identified during quality assessments etc.)
- Data collection (data flow is mainly paper based)
- Disparity among districts (affects coordination)

# Proposed Initiatives

- Review and align data collection tools.
- Produce dashboard quarterly (tracking indicators)
- Configure an electronic data management system (Odoo)

# Capacity building

- Demand for tracer study data (dissemination to districts, utilization, continuity etc)
- 2 staff to under go Prince 2 training.
- 12 District program officers to under go foundations of M&E training
- SPSS

- Thank you
